

Illinois Tiger Lab

June 21-26, 2026

Illinois State University, Normal, IL

A one-week program for qualified deaf and hard-of-hearing college-bound students from the state of Illinois.

The Illinois Tiger Lab provides opportunities for deaf and hard-of-hearing college-bound students to gain experience and explore their career interests in STEM fields.

As part of this program, you will:

- > Get hands-on experience in technology and specialized skills
- > Learn more about what your interests are as you look toward a career
- > Join fun activities and make new friends from all over the region!

You will have an opportunity to:

- > Learn more about computers in a programming workshop
- > Participate in unique and interesting engineering challenges
- > Explore science with hands-on experiments

You'll work with career counselors and faculty in small group settings to:

- > Determine your interests in careers, specifically STEM careers.
- > Develop decision-making skills
- > Develop leadership skills and independence

Programs are subject to change. Visit our website for more information.
