Get a head start thinking about your dream career and how to make it happen.

- Explore chemistry, computers, engineering, science, and more
- Meet other boys like you who are interested in science and technology
- Use high-tech lab equipment to solve problems
- Stay in RIT college residence halls
- Have fun!

**About the Program**

- Cost is $700 and includes housing in a residence hall and food for the week.
- Program classes are taught in English and in sign language.
- Parents are invited to closing activities.
- The program is certified by the New York State Department of Health.
- The program incorporates National Science Education Standards.
- Limited scholarships are available based on financial need. To apply for a scholarship, have your parent or guardian complete the scholarship information on the registration form.
