

Search for the next dean of the Saunders College of Business

Dear Colleagues,

We are ready to commence the search for the new dean of Saunders College of Business. I am pleased to announce that Dr. Todd Jokl, Dean of the College of Art and Design, and Dr. Rong Yang, Professor, have agreed to serve as co-chairs of the search committee. A full list of the committee members is below. They will be assisted by the nationally known search firm Isaacson, Miller, represented by Greg Esposito. I am grateful to the co-chairs and the members of the committee for their willingness to serve.

More information about the nomination/application process will be shared by the committee in the near future.

Isaacson, Miller has a long history with RIT and is very familiar with the Institute and the colleges. Beginning this summer, the committee will work with Isaacson, Miller to develop a position profile and advertisement and begin the confidential work of building a pool of candidates. I anticipate the search to be completed and a hire to be announced during the end of the fall semester.

Sincerely,

Prabu David, Ph.D.

Provost and Senior Vice President for Academic Affairs
