Completing the Daily Health Screen

Access the Daily Health Screen at dailyhealth.rit.edu or call 585-438-5257. You will need your University ID# if you call to report your symptoms. ASL instructions also available.

**SELF ASSESSMENT**

Have you had any of the following symptoms in the last 24 hours that are new or unusual for you?
- Loss of sense of taste or smell
- Chills or fever of 100° F (37.8° C) or higher
- Sore throat (not due to allergies)
- Feeling like coming down with an illness (Ex. Fatigue or muscle aches)
- Unusual headache or eye pain
- New cough or change in your cough
- New or worsening shortness of breath (difficulty breathing)
- Abdominal pain, nausea, vomiting, diarrhea or loss of appetite
- Learned that you had contact with a confirmed case of COVID-19 in the last week

If user clicks **YES** – they will get a CLEARED TO CIRCULATE ON RIT CAMPUS.

If user clicks **NO** or Uncertain, they will get a STOP: DO NOT REPORT TO RIT.

If an individual’s pass says **STOP: DO NOT REPORT TO RIT:**

- **Students** will be directed to contact the Student Health Center for further assessment to determine whether or not they can be on campus.

- **Faculty/Staff** will be directed to call RH’s Occupational Medicine at (585) 450-8202 for evaluation of their symptoms by a medical professional and will either be cleared to work on campus, told to stay home and monitor symptoms, or directed to contact their health care provider.

If at any point in time during the day an individual begins showing signs of COVID-19 (or any illness), they should go to their home or residence immediately and contact the Student Health Center (students) or their personal physician (faculty/staff).
