

NAVIGATING SPRING

tips for making the most of your semester

- [Have a plan for Academic Support set up](#)
- [Be aware of COVID fatigue](#)
- [Understand your Course Modality](#)
- Be Prepared for Online Learning! [Check out this video](#)

Advising Holds

If you have a required First Year, Second Year, or Mid-Degree Advising Meeting, you will see a hold in SIS.

SCHEDULE YOUR MEETING

Create or Join a Study Group

Improve your grades, increase your motivation, and learn new ways to study! [Learn more here](#)

And check out this [Study Tool Kit](#)

Check out Ritter

Ritter Ice Arena is set up for studying between classes, socializing safely, and eating! There are video games, pinball machines, and cornhole boards.

Student to Student

"It can be tough to see the light in times of darkness, but you have the choice to decide how you will react to these situations. While this may not be the "college experience" you were hoping for and we may not see it now, but everything happens for a reason. We can't let a global pandemic be the reason to stop any of us from becoming who we want to be in the future. Give everything that you got, stay strong and resilient! We're all in this together and we will get through it! Never, ever give up! Go Tigers!"

Antonia Gomes, Biochemistry

IMPORTANT REMINDERS

- Last Day to withdraw from classes for spring: May 5, 2021.
- Apply to Graduate in SIS if you plan to graduate in May!

We are here for you! Cheers to a great Spring semester.
