Soda Bottle Planters

- Paint them
 - Mountain Dew bottles are already green
- South Town Beverages will give us the 2 liters
- SEAL Logo stencil
- Looking into where the plants and soil are coming from
 - 2 old tshirts per person will allow for cloth to bring water up to the top
 - Enid has a bunch of old tshirts

Film Screening

- Showing a film
- Dmitry is working on it

Imagine RIT Event

- Based on RIT single stream recycling
- Field House placement
- When in doubt: recycle
- Interactive display

Reusable Water Bottles

- For everyone that doesn't have a reusable water bottle, give them a reusable one.
- Inside:
 - A sticker with information on it to give to someone and they can come to one of our events and get their own reusable water bottle.
 - Label Company that everything is compostable
