SUMMARY

With the new goal of increasing Staff Council visibility, we hope to increase our presence on campus and make everyone at the university familiar with who we are and what we do.

GOALS AND OBJECTIVES

- **RIT FoodShare Center**
 - Launch a contest between blocks to see who can donate the most items. Winner receives \$50-75 to be used towards their block party catered by Brick City Catering (if funds are available).
 - If successful in Fall, consider another event for early Spring semester for March need.
- **Block Parties**
 - Work with block captains to promote and help each block throw at least one block party during the year.
- **Presidential Awards (Fall)**
 - Work with Nomination committee to ensure a smooth-running event.
- **Benefits Fair (Oct 24-25, 2017)**
 - Promote SC and its members and encourage attendees to learn more about us and consider more active participation.
- **United Way Carnival (March 2018)**
 - Opportunity to meet more staff and raise awareness of all we do.
- **Staff & Community Picnic (May 2018)**
 - Our biggest yearly event. The goal is to let staff relax and network with colleagues.
- **Staff Council at New Employee Orientation**
 - Opportunity to meet new hires and make them aware of SC and encourage involvement early on.
