Supplemental Instruction Leader
Application Form

Position Summary:
A Supplemental Instruction (SI) Leader is a model student who facilitates two weekly peer-led study sessions and supports enrolled in a section of a historically difficult (high D, F, and withdrawal rate) course.

SI Leaders report to the Academic Support Center’s Supplemental Instruction Program Coordinator.

Essential Tasks:
- Attend all class meetings of the assigned course section
- Attend kick off training (two sessions) and weekly SI Leader training throughout the semester.
- Plan and facilitate two weekly SI sessions, which are open to all students enrolled in an assigned SI course section
- Maintain attendance records for each session offered
- Communicate clearly with the Supplemental Instruction Program Coordinator and course faculty regarding session plans.
- Submit session plans, attendance records, and check-in summaries each week.

Qualifications/Special Skills Required:
Given the nature of the courses we support (first year), this is an undergraduate student leadership position.

An ideal candidate for this position is an undergraduate student who has received an A or B at RIT for the historically difficult course they are looking to support and has a 3.00 cumulative grade point average. Historically difficult courses are measured by the rate in which students tend to receive high rates of D, F, or W grades.

SI Leaders have excellent listening, administrative and organizational skills, a proven track record of outstanding class attendance and performance, and the ability to communicate effectively with peers, staff, and faculty.

SI Leaders are “model students” who attend every class, take notes, and plan and lead two structured one-hour study sessions each week. SI sessions offer a different approach than what a TA or tutor might. SI Leaders plan and facilitate sessions where students help each other.

The idea is to have students build routine study habits with their peers, where they feel comfortable to ask questions and learn through explaining ideas and concepts to each other. Pointing students who are seeking support beyond our group study sessions will be important. For example, the professor’s office hours, Teaching Assistants, Tutors, Academic Advisors, and the Academic Support Center.

SI Leaders may serve on a program committee, which usually meets during training. Marketing finds new techniques SI Leaders can use to increase attendance; Recruitment works on finding potential SI Leaders; Social helps to enhance community among staff; Administrative offers feedback and suggestions for new forms and processes.

Timeline:
Applications are accepted and reviewed on a rolling basis year-round. Interviews will be offered to strong candidates whose qualifications and availability match an anticipated vacancy for the upcoming term. Candidates are encouraged to submit a complete application by late July for be considered for fall term positions, and by mid-December for spring term positions.

Please submit a completed application to Stephanie Haynes in SAU 2140-A or via email: sjhiao@rit.edu
