RIT Center for Campus Life
Posting Procedures for Advertisement and Announcements

i. Rationale
   i. The Procedures for Advertisement and Announcements are guidelines that communicate a sense of order regarding how posters, fliers, and other printed media should be distributed at RIT. The following guidelines are designed to allow organizations to creatively advertise events on campus while protecting the safety of our students. Further, these guidelines are written to alleviate damage to buildings, signage, trees, artwork, and other pieces of campus property. The guidelines will also reinforce community expectations regarding fire codes, and cleanliness as well as accountability for student organizations that sponsor events. This document serves as a working document and is subject to change based on campus policies. This document will be reviewed every three years in June beginning in June 2019.
   
   ii. In order to maintain the integrity of RIT’s Posting Procedures, all outside vendors, businesses, and organizations must contact Carol J. Reed, the Senior Associate Director/Manager of Campus Life Facilities (cjr2033@rit.edu or 585-475-6931), for approval of all written material before posting.
