Chapter Contacts

While the FSL staff is here to help all members of all chapters, to ensure each chapter receives the attention it needs, each has been assigned a specific contact person in the FSL Office. Each month, chapter presidents/contacts will be asked to meet with a representative from the FSL office to do a check in on how chapter operations, recruitment, new member education, and other items related to their respective organization. Attendance at these meetings is taken into consideration for President’s Cup. Chapters will have an assigned contact for the entire term. Chapter contacts for Fall 2018 are:

Governing Councils

The RIT has three governing councils that provide direction to the fraternity & sorority community. All chapters are required to maintain membership in a governing council to remain in good standing with the University:

**INTERFRATERNITY COUNCIL (IFC)**

The Interfraternity Council (IFC) is the programming and governing body of the nine North-American Interfraternity Conference (NIC) fraternities and two non-NIC affiliated fraternities at RIT. Every man who joins one of these groups is a member of IFC. Every group has a representative or chapter delegate that attends the IFC meetings. These individuals are the communication link between IFC and their chapters. The Interfraternity Council meets every other week. The IFC leadership is composed of a president and six executive officers.

*President:* Brock Wagehoft Phi Kappa Psi

**COLLEGE PANHELLENIC COUNCIL (CPC)**

The College Panhellenic Council is the programming and governing body of the five National Panhellenic Conference (NPC) sororities at RIT. Every woman who joins one of these organizations becomes a member of the College Panhellenic Council. The council consists of a delegate from each chapter and 7 executive officers. The council meets every other week to strengthen ties of communication between the chapters. The group has received recognition at the local level for excellence in community service, scholastic achievement, and public relations.

**RIT MULTICULTURAL GREEK COUNCIL (MGC)**

The purpose of the Multicultural Greek Council (MGC) is to provide a council for Greek organizations that contribute specifically to diversity and inclusion on RIT campus. The MGC serves as the governing body and network multicultural based Greek organizations to create and maintain high standards in the life of Fraternities and Sororities. The council addresses, coordinates, and develops strategic action plans to unify affiliations, promote higher education, provide community service, enhance leadership and serves as a liaison between the MGC and the University student body, and administration; thereby improving the campus climate. The MGC emphasizes on spreading cultural awareness to ensure diversity and unity among the Greek community at RIT.

Chapter Expectations

It is expected that a recognized fraternity and sorority will support the interests of the University by:

1. Encouraging and stimulating intellectual growth by promoting participation in the intellectual and cultural life of the University
2. Providing an environment in which learning takes place through free exchange of ideas and beliefs among members
3. Promoting academic achievement and scholarship through tutorial assistance, special study programs and by rewarding outstanding achievement

13. Maintaining membership in one of the three governing councils
14. Adhering to the standards set for continued recognition for fraternities and sororities by RIT

Requirements for Good Standing

In order for a chapter to be in good standing and retain its University recognition, the following requirements must be met:

Adviser Requirements

All RIT recognized chapter are required to have a minimum of two advisers – a campus/faculty adviser and an alumni/chapter adviser – who have formally agreed through the “Adviser Agreement Form”. The form, including name, address, phone number, and email address is on file with the FSL. Individuals may advise more than one chapter but can only hold one position per organization.

The following Adviser titles and descriptions will be used at RIT:

1. Academic Adviser - an RIT employee or alumnus who serves to enhance the academic endeavors of the chapter
2. Alumni/Chapter Adviser - an alumnus member of the chapter or organization who serves as the liaison between the chapter and the inter/national organization
3. Alumni Relations Adviser - an alumnus member of the chapter or organization who assists the chapter in connecting with their alumni/ae
4. Campus/Faculty Adviser - an RIT employee who serves as a liaison between the chapter and RIT (adjunct instructors/professors are not permitted to serve as advisers)
5. Community Service/Philanthropy Adviser - either an RIT employee or an alumnus who assists the chapter with community service and/or philanthropy
6. Financial Adviser - either an RIT employee or an alumnus who assists the chapter treasurer in overseeing the chapter's finances
7. Housing Adviser - either an RIT employee or an alumnus who assists the chapter with the management of their chapter house
8. Membership Adviser - either an RIT employee or an alumnus who assists the chapter with the membership of the chapter
9. Recruitment Adviser - either an RIT employee or an alumnus who assists the chapter with recruitment
10. Risk Management Adviser - either an RIT employee or an alumnus who assists the chapter with risk management

12. Social Adviser - either an RIT employee or an alumnus who assists the chapter with social programs
13. Standards/Conduct Adviser - either an RIT employee or an alumnus who assists the chapter with their standards/conduct board

In the event that a chapter does not meet the minimum requirement, they will be given one term to fill the vacant position(s) after which time their RIT EVENTS access will be frozen until an adviser(s) has been appointed.

FSL understands that the titles/descriptions used will not fit with all chapters so titles will be assigned at the discretion of the FSL based upon the criteria provided by the chapter and will be matched to the appropriate FSL approved title.
**Academic Policy**
The Division of Student Affairs expects fraternities and sororities to promote the academic achievement of its members. With this in mind, the following academic policies must be followed:

**Chapter Requirements**
1. Each chapter must develop, implement, and maintain a written, comprehensive scholarship program. The program should include the following components:
   a. Skill building
   b. Incentives
   c. Tutoring
   d. Use of Campus Resources
2. Chapter presidents must maintain a cumulative GPA of at least 2.500 during their term of office
3. If a chapter’s semester GPA falls below 2.500, the chapter shall be placed on academic probation. Chapters on academic probation are limited to holding chapter meetings, community service/charitable donations, and academic activities. All other types of chapter activities are prohibited
4. If after three consecutive semesters the chapter fails to meet the required chapter GPA of 2.500, University recognition will be withdrawn
5. Each chapter should achieve a semester GPA equal to or above the all men’s or all women’s GPA, as applicable, for each semester

**Governing Council Requirements**
1. Governing council officers must maintain a cumulative GPA of at least 2.75 during their term of office or they will be required to resign

**Chapter Viability & Inactive Chapter Policy**
RIT values a strong Fraternity & Sorority community as a constructive element of campus life. The Institute recognizes that the community must have sufficient membership numbers so as to provide membership opportunities for every student who has a desire and the means to join.

Recognition by RIT is a privilege. Recognized chapters must be able to show substantial evidence of the organization’s ability to contribute to the Fraternity & Sorority community. Chapters are expected to meet expectations with respect to academic success, community service, campus involvement, and support of community-wide and council programs.

RIT has established a minimum membership number as a way to insure healthy groups and community dynamics. These standards exist for all recognized chapters regardless of governing council. To insure that recognized fraternities and sororities possess the ability to meet performance expectations and for the continued health of the fraternity and sorority community, this membership standard and procedures have been established.

**Standard**
1. All recognized fraternities and sororities are required to have one RIT full-time or co-op, active undergraduate member (initiates or new members) on the roster at all times to maintain recognition; three members are required to be in good standing with the University
2. Non-RIT students who are members of City-Wide chapters are not included in the minimum requirement

**Process**
1. All chapters will be required to review their roster with their respective governing council’s graduate assistant by the date established by the FSL
2. All new members must complete the fraternity or sorority “New Member Card” by the date set by FSL
3. Each semester, a Viability Policy reminder will be sent via email to all chapters, their advisers and their inter/national organization that list 3 or fewer RIT students on their membership roster
4. Chapters that fall below 3 RIT full-time or co-op, active undergraduate members (initiates and new members) will be placed on probation for the following semester.

5. Probation is defined as limiting chapter activities with the Associate Director for Fraternity & Sorority Life’s approval to the following:
   1. Chapter meetings
   2. Academic Programs
   3. Recruitment/Informational Programs

6. Some events shall be prohibited including but not limited to dance parties, social programs, philanthropic events, etc. unless they are co-sponsored with another RIT recognized organization.

7. Program approval will be at the discretion of the Associate Director for Fraternity & Sorority Life or his/her designee.

8. In addition to a limit on chapter activities, a plan of action to increase and achieve the minimum number of members must be developed by the chapter with assistance from their chapter adviser(s)
   1. A copy of this plan of action must be given to the FSL, the governing council adviser, and the governing council graduate assistant.
   2. The chapter president or RIT contact will meet on an on-going basis with either the Associate Director for Fraternity & Sorority Life or his/her designee to track the progress made on the plan of action.

9. A chapter will remain on probation until their membership has met or surpassed the minimum requirement.

**No Members at RIT**

1. If at the end of six consecutive semesters a chapter has no RIT student members, the chapter shall lose their Institute recognition, shall forfeit all privileges associated with Institute recognition, and have to reapply for recognition in the future.

2. Those chapters that lose recognition may reapply three years from the date recognition was revoked.

**Appeal**

1. Chapters notified that Institute recognition has been withdrawn may submit a written appeal to Assistant Vice-President for Student Affairs within five business days of notification.

2. The Assistant Vice President of Student Affairs, in consultation with the Associate Director for Fraternity & Sorority Life, will review the request to determine if granting the appeal is appropriate.

3. A decision will be made within two weeks of receipt of the appeal letter; chapters are granted one opportunity to appeal.

**Executive Board Eligibility**

Any Active or Co-Op members who has a minimum of 2.250 (president eligibility – 2.500) and a clean judicial record (no higher than “Warning”) as verified by the Center for Student Conduct & Conflict Resolution is eligible to serve on a chapter's executive board. Chapters found to have elected an individual who does not meet the eligibility requirements will be contacted via email with the adviser(s) copied on all correspondence. The chapter will be required to remove that individual from office and hold a new election for that position. If the chapter is found to have disregarded the eligibility requirements and/or ignored the notification of ineligibility, that chapter shall be sent to the Center for Student Conduct & Conflict Resolution for a hearing.

**Finances**

RIT does not allow for individual chapters to have accounts through the Institute. Each chapter is required to have an external, non-RIT account that is actively monitored and balanced. Each chapter is required to pay all council and Institute bills on time and in full.
University/FSL/Governing Council Rules & Policies

In accordance with RIT’s Student’s Rights and Responsibilities, all chapters and their members must comply with all University and FSL rules, regulations, and policies as they apply to recognized fraternities & sororities.

As a requirement for recognition, all chapters must maintain membership in one of RIT’s three governing councils (Interfraternity Council, Multicultural Greek Council, or Panhellenic Council). Failure to maintain membership could result in Institute recognition being suspended or revoked.

In addition to RIT and FSL rules and policies, each chapter must adhere to the rules and policies of their respective governing council and inter/national governing organization. The hierarchy of policy shall be the following:

1. RIT
2. FSL
3. Inter/national Governing Organization (if applicable)
4. Governing Council
5. National Headquarters
6. Chapter

Failure to abide by any of these entities rules and policies may result in judicial charges being brought up against the chapter from the proper entity.

Insurance

Greek organization shall, at its own expense, maintain insurance Commercial General Liability with minimum limits of $1,000,000 per occurrence/$2,000,000 aggregate written on an occurrence basis. Rochester Institute of Technology shall be named as an additional insured. These coverages and limits are to be considered minimum requirements and in no way limit the liability of the Greek organization. This insurance shall be written by a company licensed to do business in New York State with a minimum A.M. Best rating of A-VII. Each policy shall provide for notification to RIT thirty (30) days prior to termination, material change or restrictive amendments. The insurance companies issuing the policies shall have no recourse against RIT for payment of any premiums or for any assessments under any form or policy. RIT reserves the right to request copies of insurance policies. The insurance policies referred to above shall be primary insurance ahead of any insurance carried by RIT. Greek organization shall provide a certificate of insurance to RIT evidencing this coverage annually. Additional insurance requirements apply to Greek organizations with housing contracts. Failure to provide the Office of Fraternity & Sorority Life with an up to date copy will result in the organization being frozen through RIT Events.
Community Service & Charitable Donations

Overview
All chapters are required to submit their community service hours and philanthropic donations no later than 30 days from the day of the event, or last day of an event held on consecutive days, via the FSL Community Service & Charitable Donations Form. These hours and donations will be tallied at the end of each month to compile a RIT Fraternity & Sorority Life Community Service and Charitable Donations Report for that month. These will be totaled at the end of each semester for a cumulative report and at the end of each calendar year for a cumulative RIT Fraternity & Sorority Life Community Service and Charitable Donations Report.

Hours and donations are only to be submitted to the FSL and the FSL will provide each chapter a report at the conclusion of the academic year as well as report the hours/donations to the RIT Center for Leadership and Civic Engagement.

Hours and donations not submitted to the FSL will not be included in the FSL Community Service & Charitable Donations Report and will not be verified should any organization require it.

Fraternity & Sorority Life follows the Center for Leadership & Civic Engagement’s guidelines for calculating service hours, charitable contributions, and non-profit compliance with 501(c)(3) of the Internal Revenue Code, RIT Core Values, and lack of political or legislative activities.

Restrictions
Service hours and/Philanthropic donations cannot be earned for the following:
1. Driving to and from a service site
2. Service that is completed due to a mandate from the Center for Student Conduct, or a local, state, of federal court or agency.
3. Attending an educational program
4. Participating in another chapter’s program (i.e. Mud Tug)
5. Funds raised in support of another chapter’s program
6. Attendance/participation or other fees associated with entry into an event

Standards of Excellence

Introduction
Modeled after inter/national fraternity & sorority accreditation programs, Fraternity & Sorority Life utilizes the following program as a way to better connect with the fraternities and sororities at RIT while recognizing and rewarding them for their contributions to the University. The Standards of Excellence will be utilized to provide valuable information to help all chapters strive to be their very best.

Purpose
The purpose of the Standards of Excellence is the following:

1. Provide the FSL with chapter related information
2. Identify finalists for President’s Cup
3. Self-study for chapter goal setting

Composition of Program
The Standards of Excellence shall consist of four parts:

1. Chapter Questionnaire - to be completed by the chapter president or his/her designee at the beginning of each semester by the date specified by the FSL
2. Roster Review – to be completed by the chapter president or his/her designee in person at the beginning and end of each semester by the dates specified by the FSL
3. Document Submission – the following documents must be submitted at the beginning of the fall semester, after any changes are made, or before the expiration date. Documents do not need to be resubmitted in the spring unless changes have been made:
   a. Chapter Constitution and/or Bylaws for 2018-2019
   b. Current Inter/national Constitution and/or Bylaws
   c. Chapter Risk Management Policy
   d. Chapter New Member Education Program
   e. Signed Adviser Agreements for all advisers
4. End of Semester Report – to be completed by the chapter president of his/her designee at the end of each semester by the date specified by the FSL
**Scoring**
Each portion of the Standards of Excellence shall be scored and the total score will be used to determine the finalists for the President’s Cup. All organizations that score 90% or higher will be eligible to present for the President’s Cup. In the event of a tie, a chapter’s End of the Semester Report Average score (between Spring & Fall) will be used to break the tie.

Chapters on sanction from the Center for Student Conduct & Conflict Resolution and/or their inter/national organization are not eligible to win the President’s Cup but are eligible to apply for Greek Awards.

Based upon each chapter’s cumulative score from all portions of the Standards of Excellence, chapters will be given a ranking from one star to five stars:

- **Five Star Chapters** – have received between 90% and 100% of possible points; Eligible for President’s Cup
- **Four Star Chapters** – have received between 80% and 89% of possible points;
- **Three Star Chapters** – have received between 70% and 79% of possible points,
- **Two Star Chapters** – have received between 60% and 69% of possible points;
- **One Star Chapters** – have received between 0% and 59% of possible points;

All chapters inter/national headquarters shall, upon request, be provided with a copy of this program and will also receive a complete breakdown of its chapter’s scores and ranking at the end of the year.

**Chapter Questionnaire – Friday, September 7th**
The Chapter Questionnaire has been designed to provide the FSL with information to help publicize RIT’s fraternities and sororities to perspective students, parents, and other interested parties. The information provided is vital to the accurate reporting of fraternity & sorority statistics to RIT, inter/national organizations and other interested parties. All information requested is non-ritualistic in nature and would be shared with any potential new member.

Scoring will be based upon the successful completion of all the questions for a score of up to 100 points. For questions that do not apply, please place “NA” in the space provided.

Roster Reviews – due Friday, September 7th

All recognized chapters are required to update their chapter roster at the beginning and end of each semester to ensure that the FSL has the most up to date listing of members. Roster updates are done by appointment with their respective governing council’s graduate assistant. Rosters must be updated by the following dates each semester:

- Beginning of Fall – Friday, September 7th
- End of Fall – Friday, November 30th

Chapters are able to update their roster at any time if the need arises. This can be done via the “Change in Membership Status Form” on the FSL Webpages

The following statuses will be used for all RIT – recognized fraternities and sororities:

1. **Active (A)** – Any full time or co-op undergraduate member of the organization that has been ritually initiated into the chapter, on the national roster, actively involved and participating
2. **New Member (NM)** – Any individual that is not initiated and that is affiliating with the chapter through the New Member education process.
3. **Depledged/Dropped (D)** – Any New Member who has their membership terminated from the organization. Once the New Member has left the organization, whether voluntary or thought disciplinary action of the chapter, notification to the FSL must be made via the “New Member Drop Notice” on the FSL website page. Upon receiving this form, the New Member will be removed immediately from the organization’s roster. The “New Member Drop Notice” must be received at least one week after termination. Failure to submit this form will result in the New Member remaining on your chapter’s roster and will be included in your chapter grade report for that semester.
4. **Resigned/Disaffiliated/Expelled (R)** – Any Active member who has their membership terminated from the organization. Once an Active member has left the organization, whether voluntary or through disciplinary action of the chapter, notification to the FSL must be made via the “Change in Membership Status/Initiation Form”. Upon receiving this form, the Active member will be removed immediately from your respective roster. The “Change in Membership Status/Initiation Form” must be received at least one week after termination. If this form is received after the last regular day of the semester, changes to your roster are not guaranteed. Failure to submit this form will result in the individual remaining on your roster
5. **Inactive for Semester (I)** – Not active, participating and/or paying dues;
   a. Organizations are only able to put individuals on “Inactive for Semester” status with a letter from their inter/national organization
6. **Returning as Active (RA)** – Status for an Active member whose previous status was something other than Active (i.e. – Special Status, Co-op, Inactive, Study Abroad)
7. **Special Status (SS)** – To reflect any chapter’s special status or any member who is enrolled at the University not Active or has not been terminated. A description of the Special Status needs to be submitted for this to be granted by the FSL. Clinicals and/or Rotations would be classified under this status as well
8. **Graduated/Alumni (G)** – an member who has recently graduated from RIT; This status does not apply to those students granted “Alumni” status within a chapter and would be classified as “Inactive for the Semester”
9. **Co-op (C)** – Enrolled at RIT as a full time co-op student
10. **Study Abroad (SA)** – Any member who is enrolled in the RIT Study Abroad program; you must also include the length of the time they will be away from campus (used for Panhellenic Total calculation)
11. **Transfer (T)** – A member who has decided to transfer to another college or university
12. **Deferred (DF)** – A potential new member who has deferred their bid until a later date; deferments are only good for one semester and the individual must meet the academic requirements of the chapter at the time they intend to go through new member education.

*All new members must be ritually initiated during the semester they take part in New Member Education; “Holdovers” are not permitted*

For each successful roster review on or before the previously mentioned deadlines, chapters will receive 25 points per review for a total possible annual score of 100 points.

Failure to review your chapter's roster before the deadlines will result in no points being awarded and will result in sanctions being placed on the organization including but not limited to RIT EVENTS restrictions, room cancellations, Greek Finance Committee Funding denial, and/or notification of inter/national headquarters.

**Document Submission – Friday, September 7th**

In order to ensure that the FSL has the most accurate information regarding chapter operations and governance, the following documents will need to be submitted. Documents do not need to be resubmitted in the spring unless changes have been made with the exception of Chapter New Member Education Programs:

- Chapter Constitution and/or Bylaws for 2018-2019
- Current Inter/national Constitution and/or Bylaws
- Chapter Risk Management Policy
- Chapter New Member Education Program – REQUIRED EACH SEMESTER
- Completed Adviser Agreements for all advisers – Faculty/Staff Adviser & Chapter/Alumni Adviser

Documents need only be submitted once a year but in the event that a chapter updates any of the documents listed above, updated versions must be submitted to the FSL. Those documents listed above with an asterisk only need to be submitted if there have been changes to those submitted during the fall semester.

Each document is worth twenty points for a total possible score up to 120 points. In the event that an inter/national headquarters does not comply with the request for any of the aforementioned documents, the chapter’s status will be frozen until they are received. It is not the responsibility of RIT or the FSL to communicate these requests to inter/national headquarters - that responsibility lies with the chapter. Updated documents are not eligible for additional points.

An up to date certificate of insurance is required for all recognized fraternities and sororities at RIT. Failure to submit one or providing an updated version will prohibit organizations from registering any events through the RIT EVENTS system.

Late submissions will receive zero points but still will need to be submitted. Failure to submit your chapter’s documents by the deadlines will result in sanctions being placed on the organization including but not limited to RIT EVENTS restrictions, room cancellations, Greek Finance Committee funding denial, and notification of inter/national headquarters.
**End of Semester Report – Monday, January 7th**

**For all chapter operations between June 1, 2018 and December 31, 2018**

The End of the Semester Report has been designed to provide the FSL with a progress report for all chapters at the conclusion of each semester. Each item in the End of the Semester Report will be assigned a point value and a chapter will be given a total score based upon all questions and sections of the report.

The End of Semester report is comprised of questions regarding many facets of chapter operations. Some questions will require short answers while others will require verification to be uploaded. Verification can be in the form of letters, emails, documents, list of attendees, or other items that can accurately verify attendance and/or participation related to a particular item. Acceptance of verification is at the discretion of the FSL – pictures are not acceptable as verification. In order for an event/program to be used, the event program must be registered in RIT EVENTS.

The FSL will be able to provide some information (for example – academic performance) and will not require the chapter to answer any questions. Possible Points refers to completing only the items that mentioned. Each area (with the exception of Chapter Conduct) has opportunities for “bonus” points by going above and beyond. These are signified by asterisks (**).

Scoring is at the discretion of the FSL and its staff. At no time shall points be deducted once they have been awarded.

   a. Potential new members may walk together in unison. (Note: Walking in unison is defined as walking together in/on the same stride. Not to be confused with marching. See definition of marching.)

New Member Presentation/Probate Show Governing Policy

It is understood that new member presentations/probate shows (or coming out shows) are an integral part of the multicultural fraternity and sorority experience. RIT recognizes that the participation in this tradition can have significant impact on the creation of community and sense of pride within the organizations who traditionally participate. Despite the generally positive nature of this practice, some issues related to hazing have been associated to these shows and their rehearsal processes. In an effort to provide guidance that will enable the successful and positive continuation of the tradition of probate shows, the FSL has established the following guidelines to ensure the success of planning a probate show at RIT:

1. All probate shows must be registered with RIT Events.
2. All organizations hosting probate shows must submit written approval from a national or regional representative allowing the activity to take place.
3. For non-city-wide chapters, probate shows must take place on the RIT campus and must be submitted through the RIT EVENTS system. City-wide chapters may host shows at other campuses in accordance with their policies, but are required to notify all participating campus Fraternity and Sorority Life offices about the details of the event.

4. Presentations may begin no later than 9:00 p.m. and last no longer than 2 hours.

5. For shows held after 7:00 pm or that expect an attendance of over 100 guests, the hosting organization is responsible for the hiring of a Public Safety Officer.

6. A staff member of the FSL, the Governing Council Adviser, and/or Campus/Faculty Adviser MUST be in attendance at all new member presentations/probates. It is the responsibility of the presenting organization to coordinate with the FSL to schedule a staff member to be present. Please note that significant notice may be needed in order to coordinate staff presence. Requests less than two weeks before the event will not be honored.

7. No alcoholic beverages or drugs are permitted at the event.

8. Participation in the show must be truly optional for neophytes/new members. Any pressure or coercion to participate in the show will not be permitted.

9. No hazing, as defined by the group’s inter/national organization, the Institute and the State of New York, may occur prior to, during, or after the show.

10. Rehearsals for the show must be held at reasonable hours and be positive in nature. Forced calisthenics and physical demands outside of what is considered reasonable for practicing of the dance/step is not permitted.

11. No physical abuse will be tolerated. This includes, but is not limited to: slapping, kicking, spitting, punching, pushing, poking, caning, etc. Canes, staffs, sticks, etc. may be used as a part of the performance, but may not be used as a weapon to harm another individual.

12. Disruptions by other attending organizations will not be tolerated. This includes, but is not limited to: walking through the presenters’ show, talking over the presenting organization, etc. Groups or individuals who cause a disruption will be asked to leave the performance and may face judicial or conduct charges.

13. All shows must respect new members, members, alumni, other organizations, and the Institute.

14. Under no circumstances will degrading or negative sentiment towards another chapter or another chapter’s members be permitted. This type of behavior includes mocking signature steps or calls in order to cause laughter or poke fun. Under no circumstances will profanity, racism, sexual innuendos, obscene gestures or hate towards another culture, gender, or identity be permitted.
Hazing Policies

RIT Hazing Policy

RIT Student Conduct Process; IV. RIT Code of Conduct; 14. Hazing/Failure to Report Hazing

14. Hazing/Failure to Report Hazing. Behavior, regardless of intent, which endangers the emotional, or physical health and safety of a Student for the purpose of membership, affiliation with, or maintaining membership in, a group or Student Organization. Hazing includes any level of participation, such as being in the presence, having awareness of hazing, or failing to report hazing. Examples of hazing include, but are not limited to, beating or branding, sleep deprivation or causing excessive fatigue, threats of harm, forcing or coercing consumption of food, water, alcohol or other drugs, or other substances, verbal abuse, embarrassing, humiliating, or degrading acts, or activities that induce, cause or require the Student to perform a duty or task which is not consistent with fraternal law, ritual or policy or involves a violation of local, state or federal laws, or the RIT Code of Conduct.

NY State Hazing Law

§ 120.16 Hazing in the first degree.

§ 120.17 Hazing in the second degree.

A person is guilty of hazing in the second degree when, in the course of another person's initiation or affiliation with any organization, he intentionally or recklessly engages in conduct which creates a substantial risk of physical injury to such other person or a third person.

Hazing in the second degree is a violation.
Fraternity & Sorority Life Expansion Process

Overview:

The purpose of this process is to determine, insofar as possible, that the requesting group actually gives promise of becoming successfully established and of contributing in worthwhile ways to the life of the Rochester Institute of Technology (RIT) fraternity and sorority community.

In order to ensure a fair and equitable process, any organizations wishing to join the RIT Multicultural Greek Council (MGC) or the RIT Interfraternity Council (IFC) must adhere to the process outlined below. For information related to College Panhellenic Council (CPC) Extension, please see the NPC Manual of Information. This process will be overseen by the Fraternity/Sorority Expansion Committee (FEC).

The RIT Office of Fraternity and Sorority Life (FSL) will allow one expansion per council per academic year. Expansions will be scheduled up to five years in advance at the discretion of the Fraternity & Sorority Expansion Committee (FEC). Organizations wishing to expand must fill out and submit all information on this form.

**Applications for Spring 2019 are due by October 31, 2018**

Expansion Preference:

RIT prefers the following expansion procedures (in preference order):

1. Student Interest Group Colonization: A group of enrolled students at RIT may choose to form an interest group that is affiliated with a national or international organization.

2. Open Invitation to Colonize: In the event the governing council wishes to seek expansion opportunities, a formal invitation shall be sent to the appropriate trade organizations requesting interested groups submit the application for expansion. The Office of Fraternity & Sorority Life shall contact organizations affiliated with that particular trade organization.

3. National or International Fraternity or Sorority Colonization: If a national or international fraternity or sorority wishes to expand to RIT, they may indicate interest by submitting the application for expansion.

**All forms listed above, regardless of potential council affiliation, require a minimum of 10 RIT students (full-time or co-op, active undergraduate members) to be considered for expansion**

Policy on Local Organizations:

The University will not recognize any organization not affiliated with a national or international fraternity or sorority. Exceptions to this policy are not made. RIT defines an inter/national fraternity or sorority with the following criteria:

1. Have at least 5 chapters with at least 10 members per chapter in two states,
2. Have a national governing body composed of alumni members who are elected/appointed/hired as officers to supervise the affairs of the organization, and
3. Host a national convention on an annual/biannual basis to conduct fraternity/sorority business
4. If the application process proceeds to a selection as outlined in section 8a of the process outlined in this document, RIT will show preference to organizations affiliated with one of the following trade associations:
   a. North-American Interfraternity Conference (NIC)
   b. The National Pan-Hellenic Council (NPHC)
   c. The National Association of Latino Fraternal Organizations (NALFO)
   d. The National Asian Pacific Islander American Panhellenic Association (NAPA)
   e. The National Multicultural Greek Council (NMGC)
Expansion Process:

1. **Interest Groups**
   a. Interest groups (A group of students wishing to start a new fraternity/sorority at RIT) must contact the Office of Fraternity and Sorority Life (FSL)
      i. Students should conduct no outreach to headquarters before consulting with the FSL.
      ii. If they do so, the Inter/National headquarters (IHQ) staff must contact the FSL promptly, before communicating anything other than receipt of the message to the interest group, or risk being denied an expansion slot by the FEC.
   b. The FSL will cover the process with the leadership of the interest group, and begin identifying potential organizations to affiliate with based on the group's values and desired goals (if none has already been identified by the interest group)
   c. The interest group will contact selected IHQs of interest directly and discuss potential for expansions and the congruence of the values of the interest group and the organization
      i. If an interest group had already identified the organization of interest, and that organization has no pre-existing limitations on expansion (e.g. conduct sanctions with the RIT student conduct office), they may skip this step
   d. The interest group will complete the RIT Expansion Application with the information of the proposed group
   e. A meeting of the FEC will be scheduled for the interest group and representative from the IHQ to present.

2. **Headquarters**
   a. The IHQ must complete the RIT Expansion Application prior to the submission deadline
      i. IHQs should conduct an exploratory visit prior to submitting an application
   b. After the submission deadline for each semester, the FEC will evaluate submissions and grant approval for presentations from groups who have expressed interest
   c. If the organization is approved for expansion, the FSL will coordinate a schedule for when the expansion can begin
      i. In the event that multiple groups have presented, an order of expansion will be created by the FEC and provided to all groups who presented
         1. Groups can either accept or deny the proposed timeframe they are to expand at RIT.
         2. If a group denies their proposed timeframe, they must re-apply at a later date and go through process from the beginning.

After an organization is scheduled for expansion, they will be required to plan out a timeline of the expansion effort in coordination with a member of the FSL staff. The following expectations are generally held, but may be negotiable if not compliant with the IHQs general expansion philosophy/operations (applicable to both Interest Groups and IHQs):

- Preliminary visits will be limited to one visit in the final 5 weeks of the semester prior to expansion
- Probationary recognition will be granted to all groups selected to expand for a period of time outlined in the approval letter
- Expansion efforts may not begin prior to the close of the recruitment period outlined by the respective governing council.
  - The purpose for this is both to avoid creating unhealthy competition between the new colony and the existing IFC/CPC/MGC chapters, as well as to ensure that normal recruitment efforts of the existing organizations are not affected by the expansion effort.
Colonization

1. Colonies approved by FEC shall then be required to abide by all RIT Students Rights & Responsibilities, Fraternity & Sorority Life policies, and Center for Campus Life policies.
2. Upon approval of the FEC, the colony will become associate members of their respective governing council.
3. Colonies will be required to follow all governing council policies during their colonization period including but not limited to meeting attendance, program attendance, payment of dues, etc.
4. Failure to abide by any policies of RIT, Fraternity & Sorority Life, Center for Campus Life, and their respective governing council will be reported to the national or international headquarters.
5. Colonies are required to have regular communication with Fraternity & Sorority Life. The colony president must meet with a representative of Fraternity & Sorority Life at least once a month during the colonization process (exception being summer months).

Chartering

1. National or international organizations are required to inform Fraternity & Sorority Life in writing once the colony has been approved to charter.
2. The national or international organization shall work in conjunction with Fraternity & Sorority Life and the colony to coordinate the installation ceremony.
3. Fraternity & Sorority Life will notify the respective governing council upon a colony being approved for chartering.
4. The respective governing council shall follow their policies in regards to the transition from colony to chartered organization.

Unauthorized Expansion/Intake/New Member Activity

RIT defines this as, but not limited to, campus crashing, ghost lines, recruiting or soliciting membership, pledging, educating and/or initiating RIT students without organization recognition by RIT, or non-RIT students initiating the expansion process, etc.

First offense violations of this policy will prompt the following action to be enacted against the fraternity/sorority:

1. Inability to seek recognition of fraternity or sorority as a recognized student organization at RIT until, at least, two calendar years after there is clear and definite evidence that no RIT student has been initiated into the fraternity/sorority.
2. Inability to host or coordinate any events at RIT that are affiliated in any way, to the fraternity/sorority.
3. Inability to participate as a co-sponsor of any student event hosted at RIT.

Without formal recognition at RIT via the FEC, the fraternity or sorority is not given permission to list RIT as a chapter/auxiliary on any materials, including, but not limited to, websites, chapter rosters, etc.

Voluntary Closure

A fraternity or sorority which was previously recognized at RIT and subsequently closed due to decreasing membership, graduation of all membership, or by no fault of the group or any of its membership shall return to full recognition by following the RIT Recognition Procedures with the following addendum:

1. All outstanding debts to RIT and the Governing Council must be settled prior to approval of colony status.
2. The fraternity or sorority must have been in good standing with the institute and Governing Council upon voluntary closure.

In the event of closure, the aforementioned expansion policy will be utilized to recolonize the chapter (if applicable).
Auxiliary Groups & Sweethearts

Auxiliary Groups

RIT does not recognize nor condone the creation and sustaining of fraternal auxiliary organizations (commonly referred to as “Little Brothers” or “Little Sisters). These organizations have been prohibited by all inter/national organizations for the following reasons:

1. Title IX exemption for fraternities and sororities
2. Legal issues associated with insurance coverage

Social fraternities and sororities are exempt from Title IX which allows them to exist as single sex organizations. Little Brother/Little Sister groups have blurred those lines and caused national organizations to ban them outright. All NPC organizations adhere to the Unanimous Agreements that prohibit their chapters from partaking this practice. NIC organizations as well as Phi Delta Theta also prohibit their chapters from having these type of organizations. Below are the associated links for each group:

1. NPC - [https://www.npcwomen.org/resources/pdf/Unanimous%20Agreements.pdf](https://www.npcwomen.org/resources/pdf/Unanimous%20Agreements.pdf)
   a. Section X (page 37 of Unanimous Agreements)

3. Phi Delta Theta and Tau Kappa Epsilon – Phi Delta Theta and Tau Kappa Epsilon endorse the Fraternity Executives Association Resolution regarding "Little Sister" group.

While NPHC, NALFO, or NAPA organizations may condone the creation and sustaining of these groups, RIT does not and members of these councils/governing bodies must adhere to the universal RIT policy.

Groups found to be operating an auxiliary group (“Little Brothers” or “Little Sisters”) will subject to the following repercussions

- **1st Offense** - A meeting with the Associate Director for Fraternity & Sorority Life to review the policy associated with these organizations
- **2nd Offense** – Inter/national organization will be notified as well as activities be regulated

Sweethearts

RIT recognizes the significance and important role a chapter sweetheart plays in our organizations and encourages all organizations that are permitted by their inter/national headquarters to have them. While RIT does support chapter’s having sweethearts, their inclusion in new member recruitment is strictly prohibited. Recruitment is intended to be a single sex process and potentially can interfere with a fraternity or sorority’s Title IX exemption. Chapters found in violation of this provision will be subject to the following repercussions:

- **1st Offense** - A meeting with the Associate Director for Fraternity & Sorority Life to review the policy associated with these organizations
- **2nd Offense** – Inter/national organization will be notified as well as activities be regulated

Excessive tipping may result in an organization having their privileges frozen or revoked

**Deposits**

All organization funds must be deposited into their organization’s on-campus account no later than 24 hours after they have been received. This includes dues, fines, or other fees associated with the organization. All deposited funds must be accompanied by a signed Deposit Form available in the Club Center

Organizations must clearly list their name on the deposit slip so that the proper account is credited with the funds.

**Monthly Oracle Statements**

At the conclusion of each month, a statement is printed out for each governing council, honorary organization and FSL Office. The following is the procedure used to reconcile each statement:

1. The Sr. Financial Assistant for FSL will send the Associate Director each council’s Oracle statement and respective back up.
2. Upon receipt of the documents, each organization’s statement will be scanned and sent to the organization treasurer, president, and their adviser(s)
3. Organization treasurers will need to review their respective statement and back up to ensure the following are accurate (this can be done in person or on-line):
   a. Your purchases are accurate – AND –

Greek Student Life Fund

Each RIT recognized chapter will be given a monthly update of their funds available in the Greek Student Life Fund. These updates will be sent to the chapter presidents each month of the academic year. To utilize the funds, organizations must submit the “Greek Student Life Fund Chapter Request Form” (on the FSL website under documents). Funds can be used for the following reasons (at the discretion of the FSL and Development):

However, if the total order is over $1500, organizations must get three (3) quotes from vendors and one (1) quote MUST be from Staples Promotional Products. If Staples is not the lowest quote, you can use the vendor who does come in lowest. You MUST however get bids for the same/like items.

**Vans/Drivers Certification Policy**

If chapters wish to use vans from Parking & Transportation Services or SG and need an account number to do so; the following process must be followed:

2. Estimate for van usage and driver certification is posted in EMS by PATS, and relayed to Greek chapter via email confirmation from EMS.
3. If Greek chapter is responsible for paying above costs directly from their external off-campus bank account, they will be responsible for paying the full estimated cost to Campus Life.
   a. This must be done BEFORE Campus Life will provide an account number for PATS in EMS. No exceptions.
   b. Chapters must pay via a Nelnet link set up by CCL that accepts credit card payment. A new link will be set up individually for each chapter and for each instance vans and/or certification payments must be paid.
   c. The estimated cost of the van usage and any driver certification costs must be paid, PLUS a $50 deposit for gas to ensure the vans are brought back with full tanks.
      i. Should the vans not be returned with full tanks, then the $50 will be forfeited and used to fill the vans. No partial refunds will be given.
      ii. Should the vans be returned with full tanks, then the $50 will be refunded to the same credit card used to make payment.
4. Once payment is made, CCL will request credit be processed by SFS.

**Student Affairs Bus Coverage**

**Flags in the SAU**

Chapters may request to add or change their flag in the SAU by emailing the Associate Director of Fraternity & Sorority Life. Due to the cost of equipment, flags will only be hung when there are multiple requests. Chapters must provide their own flag.
**RIT Dance Party Guidelines**

**Introduction:**
The Rochester Institute of Technology (RIT) seeks to support a vibrant, diverse, and spirited campus life experience. A fundamental principle in the hosting of events is the maintenance of appropriate safety and security for all students and visitors to the campus involved with recognized campus events. One aspect of a dynamic campus life is the hosting of activities which by definition below are considered dance parties. Recognized student organizations at RIT are permitted to host dance party events on campus when the specific conditions outlined in this document are met. RIT has established these guidelines to ensure that reasonable safety and security measures are employed by all organizations and departments involved in the development, review, and support of these events.

These guidelines are reflective of the collective expectations for safety and security from a number of RIT offices, and serve to support and protect the host student organizations as well as those attending events. As such, RIT prefers that student organizations remain on campus for their dance parties, following the guidelines and practices below. Should organizations choose to seek off campus locations for events of this nature, RIT reminds students and organizations that RIT’s Code of Conduct includes an Off Campus Behavior policy. Should RIT be made aware of violations of the Code of Conduct at off campus dance parties, the host organization(s) and any specified individuals would be subject to report and review through RIT’s Office of Student Conduct.

For complete information regarding RIT’s Code of Conduct and the conduct process visit:

   d. Associated risks

**Eligibility**

1. All Student Government recognized clubs, organizations and/or social fraternities/sororities in good standing are eligible to hold dance parties
   a. Good standing as defined by SG, CCL and/or Student Conduct

The following is a DRAFT of the upcoming policy changes to posting. Once this is finalized, a new FSL Guidelines will be published*

**RIT Center for Campus Life**

Posting Procedures for Advertisement and Announcements

i. Rationale

The purpose of these procedures is to outline guidelines that communicate a sense of order regarding how posters, fliers and other printed media should be posted. The guidelines in this document refer primarily to student organizations posting in the Student Alumni Union and Campus Center. Other locations on campus may have their own specific posting guidelines. The following guidelines are designed to allow organizations to creatively advertise events on campus while protecting the safety of our students and ensuring the appropriate use of space. Postings not in compliance with these guidelines are not permitted and will be removed. Further, these guidelines are written to protect against the defacing of university property and alleviate damage to buildings, signage, trees, artwork and other parts of the University. The guidelines will also reinforce community expectations regarding fire codes and cleanliness as well as accountability for student organizations that sponsor events. The Center for Campus Life does not endorse the content of the advertisement or the programs or services that a posting promotes.

All postings in the Student Alumni Union and Campus Center must go through the proper process and be stamped. Postings must contain all information that is relevant to the event (as described in section iii on Page 2). Postings must also be consistent with the principles and values espoused by the University. Content of the postings must not include demeaning or discriminatory portrayals of individuals or groups, cannot be libelous, violate copyright and trademark law or contain any material that is inconsistent with our community standards.

Academic postings related to class projects and any other student based project can be reviewed on a case by case base by working with the Senior Associate Director/Manager of Campus Life Facilities listed below.

Business and commercial postings are not permitted without prior approval and must be stamped by Campus Life. In order to maintain the integrity of these posting guidelines, all outside vendors, businesses and organizations must contact the Senior Associate Director/Manager of Campus Life Facilities at 475-6931 or cjr2033@rit.edu for approval of all written material. Campus Life reserves the right to make decisions regarding the approval of what is to be posted. Campus Life is not responsible for any damage to or theft of postings or displays.

This document serves as a working document and is subject to change based on campus policies and needs. Otherwise, this document will be reviewed at least every two years during the spring semester with implementation of changes in the next academic year.
