

Date

Dear First Name,

Welcome to RIT and Saunders College of Business. You are joining an exciting and demanding college that will provide an education to help you meet the expectations and opportunities you will encounter in your career and throughout your life. It is our hope that your academic career at RIT will be rewarding and challenging.

To start your career at RIT on the right foot, we encourage you to visit the [RIT New Student Orientation website](#) for further information about our program. Their website and materials contain a checklist of to-do items and information about the many services and resources that will help you make the most of your experience at RIT. You will also find details about the [DiscoverRIT Pre-Orientation Program](#), which will be held from Saturday, August 18 to Tuesday, August 21, 2018. Freshmen students not participating in DiscoverRIT will move into on-campus housing on Tuesday, August 21, 2018 and New Student Orientation will run through August 25, 2018.

All freshmen students will be pre-registered for fall term courses in late-July. Using your RIT username and password, you will be able to access your tentative schedule online at the RIT [Student Information System](#). If you may be participating on an RIT athletic team, please let us know. If you took any AP tests and/or anticipate receiving any transfer credits, please request that your official AP scores and/or transcript be sent to RIT's Admissions Office as soon as possible. This will help us make an appropriate schedule based on your specific academic needs.

In addition, all students are required to take the Math Placement Exam (MPE). The MPE is available from **May 15 to June 30, 2018**. To access the exam or for more information, please visit: <https://www.rit.edu/science/mpe>.

On Thursday, August 23, 2018, you will meet fellow freshmen as well as faculty and staff at your mandatory academic sessions when we will review curriculum requirements and answer scheduling questions. Advisors will be available throughout your years at RIT to assist you with career planning and any other advising issues.

You will find that Saunders College will offer you the support, challenges, and rewards you expect in a high quality academic program. If we can assist you as you prepare for college, please contact us by email at [studentservices@saunders.rit.edu](mailto:studentservices@saunders.rit.edu) or by phone at (585) 475-7935. Also, please be sure to introduce yourself to me during Orientation. I congratulate you on your accomplishments and look forward to meeting you this fall.

Sincerely,

Jacqueline R. Mozrall, Ph.D.  
Dean, Saunders College of Business
