

## **Anticipating AP or Transfer Credit? *READ ON...***

If you have taken either AP courses, or college courses while in high school, action on your part is required. Any delay in receiving your results may impede your fall schedule.

### **If you have taken any AP classes:**

- Contact the College Board **TODAY** (<https://sat.collegeboard.org/scores>).
- Send your scores to RIT even if you do not know the scores yet-there is no penalty for low scores!
- All eligible credit accepted by RIT into your Academic Program will be awarded.
- During orientation we will review your graduation requirements and you can decline any credit at that time by meeting with your advisor.

### **If you have IB or CLEP credit:**

- Request your official transcript sent to RIT to the address below.
- All eligible credit accepted by RIT into your Academic Program will be awarded.
- During orientation we will review your graduation requirements and you can decline any credit at that time by meeting with your advisor.

### **If you have taken any courses at another university or college (while in high school or not):**

- Only grades of a C or better will be considered for transfer credit.
- These courses must generate a college transcript.
- Request to have your official college transcripts sent after final grades are posted.
- During orientation we will review your graduation requirements and you can decline any credit at that time by meeting with your advisor.

### **Transcripts and/or scores should be sent to:**
