

Health Sciences & Technology Students

Featured Programs

DIS - Study Abroad in Scandinavia

Copenhagen, Denmark; Stockholm, Sweden
Fall, Spring, Summer

Denmark is known globally for innovative thinking and high-quality medical research, and is home to the Medicon Valley, a comprehensive life science cluster that attracts many successful companies to the region. In addition to classroom-based learning and research, students on DIS programs also participate in site visits and meet with experts in the field through program study tours.

Coursework available in: Biomedicine, Medical Practice & Policy, Neuroscience, Public Health

No language requirements. Courses taught in English.

Summer Psychology in Croatia

Zagreb, Croatia
Summer

Earn 6 credits towards an immersion in Psychology while studying for 5 weeks in Central Europe. Gain an understanding of the cultural influences of modern psychology while studying and living in Croatia's capital city of Zagreb, and participate in a week-long study tour to Austria/Germany or Italy, to visit important sites related to psychology history.

No language requirements. Courses taught in English.

Jesse Phelps
CHST, Physician Assistant
Studied in Zagreb, Croatia

"As a Physician Assistant major and Psychology minor, global health is incredibly important to me. Studying psychology in Croatia gave me insight into how Europe treats mental illness and fostered my own personal growth."

Your Major Abroad

*Global Health with International Field Experience
Dominican Republic | RIT Faculty-Led Program*

When You Should Go

Work closely with your academic advisor to determine the timing that will work best for your program of study.

Tips

Consider taking immersion, perspectives, free electives or general education courses abroad for more program options.

A shorter summer program may be a good option to fit in an international experience for Health Sciences majors.

RIT Education Abroad Travel Grants (\$500-\$1,000) are available for RIT global campus, faculty-led, or exchange programs (awarded based on financial need).

Financial aid and many more scholarships are available! Ask a study abroad advisor for more details.

Getting Started

1. Learn more at: rit.edu/studyabroad
2. Meet with your **academic advisor** to discuss timing and coursework.
3. Explore programs in the Compass database: rit.edu/studyabroad/Compass
4. Make an appointment with a study abroad advisor: www.rit.edu/studyabroad/advisormeeeting

Study Abroad is a co-op alternative

These CHST majors can use a semester or 10-week summer study abroad program as a co-op alternative.

Biomedical Sciences Exercise Science Nutritional Sciences

Health Sciences & Technology Programs Abroad

(All programs listed offer coursework in English unless noted)

➔ RIT CHST Student Favorite

(BIOMED) Biomedical Sciences
(DMSO) Diagnostic Medical Sonography
(EXRSCI) Exercise Science

(GLPH) Global Public Health
(NUTR) Nutritional Sciences
(PHYA) Physician Assistant

(ELECTIVE) may be able to use
coursework for free electives

Location	Term(s) Offered	Provider	Program Title	Coursework
