[RIT PROGRAM IN FOCUS]

This program has strong discipline-specific coursework that is a good match for RIT students.

Study Abroad for
Industrial Design & Interior Design Majors
DIS Semester in Copenhangen
Architecture Design | Interior Design | Furniture Design | Urban Design

Why study industrial and interior design in Denmark with DIS:

[**Denmark is a hub of innovation in areas of design, architecture, sustainable living and technology.**]

> Scandinavian design is one of the most recognizable and impactful styles in the world, blending traditional and modern with many of the world's most iconic designs hailing from Denmark.

> Course-integrated study tours within Denmark and to neighboring countries will expose you to historical and modern architecture, buildings and urban space of Northern Europe.

> Fall, spring and summer programs offered at DIS are taught in English from respected faculty who are also professionals in the field.

> DIS provides opportunities for students to experience local culture with home stays, sports teams and clubs, student events or volunteering in the community.

No previous Danish language required. Program is taught in English. Must have a 3.0 GPA or higher to apply. **Note: DIS programs fill up quickly - apply early!**
