

Study Abroad For Computing & Information Sciences Students

Featured Programs

RIT Croatia Zagreb, Croatia

RIT Dubai Dubai, United Arab Emirates

Fall or Spring Semester

Spend a semester taking computing courses at an RIT Global Campus (Zagreb, Croatia or Dubai, UAE).

Study in Croatia's capital city of Zagreb and take courses in Computing & Info. Sciences.

The innovative city of Dubai is the ideal backdrop for taking courses in Cybersecurity and Computing & Info. Sciences.

No language requirements. Coursework taught in English.

Summer in Tokyo

J.F. Oberlin University

Affiliate Program through CIS Abroad

Spend between 2 to 8 weeks in Tokyo taking courses related to Japanese culture that GCCIS majors can use towards perspectives or free electives. No language requirements. Coursework taught in English.

"Study abroad helped me grow by showing me how independent I can be, which gave me more confidence in myself. Since I was able to travel and live in a new country while managing classes and expenses, I realized that I could handle more than I thought!"

Getting Started

- 1) Learn more at: rit.edu/StudyAbroad
- 2) Meet with your **academic advisor** to discuss timing and coursework.
- 3) Explore programs in the Compass database:
rit.edu/studyabroad/compass
- 4) Make an appointment with a study abroad advisor: www.rit.edu/studyabroad/advisormeeting

When You Should Go

The GCCIS study abroad pathways identify the optimal timing for semester-long study:

Computing & Info Tech	3rd year, fall
Computer Science	4th year, spring
Cybersecurity	3rd year, fall
Game Design & Development	4th year, fall
Human Centered Computing	3rd year, fall
New Media Development	3rd year, fall
Software Engineering	3rd year, fall or spring

However, work with your academic advisor to determine the best timing for you.

Tips

Consider taking some immersion, perspective, or general education courses while abroad for more flexibility with program options.

If you can't fit a full semester abroad into your course plan at RIT, summer programs and short-term faculty-led programs are an excellent alternative.

Financial aid and study abroad scholarships are available. Ask a study abroad advisor for more details.

Study Abroad is a co-op alternative

These GCCIS majors can use a semester or 10-week summer study abroad program as a co-op alternative.
