WHATEVER YOUR PASSION, YOU CAN MASTER IT AT RIT.

RIT is a place where brilliant minds assemble and collaborate, where they pool together their individual talents across disciplines in service of big ideas and creative solutions.

It is a vibrant community teeming with students collaborating with experts and specialists: a hub of innovation and creativity. It is an intersection of disciplines, a launching pad for a brilliant career, and a highly unique state of mind.

It is a perfect environment in which to pursue your passion. Here, the future is envisioned each day. And remade each day after.

Imagine the possibilities.
As one of the world’s leading technological institutions, RIT is a vibrant, connected community that attracts diverse, ambitious, and creative students from more than 100 countries. Here you’ll find an incredible array of outstanding academic programs; a diverse, committed, and accessible faculty; sophisticated facilities; an unusual emphasis on experiential learning; and a dynamic student life.

Ambitious, Diverse Students
RIT attracts students from every state and nearly 2,700 international students from more than 100 countries. Embodying our commitment to diversity, nearly 3,200 students of color have chosen to study at RIT. Adding a social and educational dynamic not found at any other university are more than 1,200 deaf and hard-of-hearing students supported by RIT’s National Technical Institute for the Deaf.

Innovative, Specialized Academic Programs
Few universities provide RIT’s variety of career-oriented studies. RIT’s unmatched array of academic programs attracts designers, artists, photographers, and filmmakers on the one hand, and scientists, engineers, computing scientists, and entrepreneurs on the other.

Enthusiastic, Committed Faculty
At RIT, teaching comes first. Our faculty are engaged and committed to students. They utilize their real-world experiences to enrich your learning as they spark your curiosity, challenge you to grow, and inspire you to achieve your dreams.

A World Leader in Experiential Education
With the 4th oldest and one of the largest cooperative education programs in the world, RIT is a world leader in experiential education. Last year, 4,300 students completed 5,700 co-op assignments at 2,200 organizations. In addition to co-op, you can apply your knowledge to real world problems through internships, study abroad, and undergraduate research.
RIT offers 23 intercollegiate men’s and women’s sports, including Division I men’s and women’s hockey. Intramural sports are popular at RIT and the outstanding recreational facilities include two ice rinks, an aquatics center, a field house, and extensive fitness facilities.

Graduates in Demand
RIT graduates enjoy one of the highest rates of placement of any comprehensive university in the country. Our national and international employer network includes more than 2,200 organizations, and U.S. News consistently recognizes RIT’s career services office as one of the best in the nation.

State-of-the-art Campus
Our strong reputation for state-of-the-art academic facilities is rightly earned. You’ll find outstanding facilities and equipment in every area of campus, and our commitment to student success ensures that these facilities are accessible when you need them.

Catch the SpiRIT!
RIT is alive with energy and excitement. It won’t take you long to find your niche because there are so many ways to get involved!

An Outstanding Value
Our students tell us that our comprehensive financial aid program, which includes merit scholarships, need-based grants, loans, and campus employment options make RIT an outstanding value. Last year, more than 77 percent of full-time undergraduate students received more than $300 million in financial aid. Our merit scholarships include Presidential Scholarships ranging from $10,000 to $16,000 per year, and Achievement Scholarships valued up to $10,000 per year.

Personalized Admission Process
Admission to RIT is competitive, but our admission process is a personal one. Each application is reviewed holistically for strength of academic preparation and academic performance, performance on standardized tests, and counselor recommendations. We seek applicants from a variety of social, cultural, economic, and ethnic backgrounds.

- Nutrition Management

### Pre-Professional Studies
Students interested in pre-law, pre-medical, and other pre-health professions may enroll in any major at RIT and take advantage of our excellent pre-professional advising programs that provide the guidance you need to complete the admission requirements for graduate programs in law, medicine, and other health professions.

* Offered by the School of Individualized Study in the Division of Academic Affairs.

** Offered by the Division of Academic Affairs for students exploring programs in two or more colleges

Information is correct at time of printing.
MINORS AND IMMERSIONS

Minors
Students pursuing a bachelor's degree have the option of completing a minor—a set of five or more related courses. A minor can complement your major, help you develop another area of professional expertise, or enable you to pursue an area of personal interest. Completion of one of RIT's more than 90 minors is formally designated on your baccalaureate transcript, which serves to highlight your accomplishment to employers and graduate schools. For the most recent list of minors, please visit rit.edu/minors.

Immersions
As a part of their bachelor's degree requirements, students must complete an immersion—a concentration of three courses in a particular area. These upper-level courses are used to meet RIT's general education requirements and provide you with course work in a specialized area that can enhance and complement your major or allow you to explore a personal interest. For the most recent list of immersions, please visit rit.edu/immersions.

Minor ▲ Immersion
FOUNDED IN 1829, Rochester Institute of Technology is a privately endowed, coeducational university with nine colleges emphasizing career education and experiential learning.

THE RIT STUDENT BODY consists of approximately 15,400 undergraduate and 3,200 graduate students. Enrolled students represent all 50 states and more than 100 countries.

RIT is an internationally recognized leader in preparing deaf and hard-of-hearing students for successful careers in professional and technical fields. The university provides unparalleled access and support services for the more than 1,200 deaf and hard-of-hearing students who live, study, and work with hearing students on the RIT campus.

COOPERATIVE EDUCATION provides paid career-related work experience in many degree programs. RIT has the fourth-oldest and one of the largest related work experience in many degree programs. Enrolled students represent all 50 states and more than 100 countries.

ATHLETICS: Men’s Teams—baseball, basketball, crew, cross country, ice hockey (Division I), lacrosse, soccer, swimming, tennis, track, and wrestling

Women’s Teams—basketball, crew, cross country, ice hockey (Division I), lacrosse, soccer, softball, swimming, tennis, track, and volleyball

EXPENSES: Full-time students living in an RIT residence hall have the following 2016-17 academic year expenses. We estimate that the typical student also spends an average of $2,026 per year for books, transportation, and personal expenses.

RIT does not discriminate. RIT promotes and values diversity within its workforce and provides equal opportunity to all qualified individuals regardless of race, color, creed, age, marital status, sex, gender, religion, sexual orientation, gender identity, gender expression, national origin, veteran status, or disability.

The Advisory Committee on Campus Safety will provide, upon request, all campus crime statistics as reported to the United States Department of Education. RIT crime statistics can be found at the Department of Education website, http://ope.ed.gov/security, and by contacting RIT’s Public Safety Department at 585-475-6620 (v/tty).
