- ❖ Available resources
- ❖ A little “dry” but good info. Love the website resources
- ❖ Demo – live connection to web
- ❖ The great tech info – WOW
- ❖ Hummm. The availability of streamed videos and PowerPoints.

11. Any suggestions for improvement?

- ❖ Room was freezing
- ❖ No
- ❖ N/A
- ❖ None
- ❖ I thought there were much more resources than just symposium material. I did not want to know about the symposium only, it was not really relevant, but the details were tedious. I would like more time to be spent explaining the actual online resources and going through more examples than just mostly symposium information.

12. What changes will you make based on this workshop?

- ❖ I plan to view some of the resources
- ❖ Include in my set of resources I distribute.
- ❖ N/A
- ❖ Provide this resource to the faculty & IT on campus for their own professional development
- ❖ Share info – smile
- ❖ Give to our techies at college and wow them too!
