

“Hard of Hearing Students in Postsecondary Education”

TWO OPTIONS

Heidi Adams
PEPNet Outreach Specialist
Center for Sight & Hearing
Rockford, IL

This is Deb Brenner's table from Chapter 5

Model Student Access Center

- Easily identifiable
- Outreach starts at application
- Values reflected in policies & procedures

Community Rehabilitation Programs

- Provide direct services to customers with disabilities
- Funding
- Relationship to VR
- Loosely networked

Services

- Employment
- Life skills
- Adjustment counseling
- Communication access
- Support groups
- Work with employers

Collaboration

- With VR
- With postsecondary education
- With HLAA

What HLAA can do

- Build awareness
 - Prior to Transition at 14 ½ years of age
 - Outreach programs for students in Transition
 - Role models for youth with hearing loss
- Collaborate with CRPs
 - Staff training
 - Mentoring for individuals
 - Opportunity to establish local chapters
