**I was in Herstmoncerx castle.
The castle is a beautiful and
old historic relic. I like it.**

Ice-Breaking activity was hosted by Mr. and Mrs. Hurwitz.

Introduce to each other. We hope we would be good friends.

I made an introduction of Tai Lihua.
I set her as an example of a person who is handicapped in body but strong in will.

I visited the castle. The castle went through a lot and had a long history.

The students and teachers had breakfast together. Delicious!

Leaders in Japanese foundation introduced the Japanese financial group.

We've learned plenty of things which would be of great use to our future.

We took pictures with our friends. Very happy!

Mr. and Mrs. Herwiz spoke very well. I like their works.

Japanese Culture Night

I won in the game. People from Japan gave me a prize.

I want to leave my message and keep it forever.

I took pictures with the leader.

I was grateful for his efforts of teaching us how to be a man and how do deal with matters.

We played games with
leaders of PEN.

We had a good time.

Russian Culture Night

I was so pleased that my Russian friends made an introduction of the Russian customs to us.
