Dear Friends and Colleagues,

The exceptional art work of the deaf students and faculty members in the domain of special education of China, whose exhibition will be held in the Special Education College of Changchun University, is an inspiration that can be emulated by all people. It is an example of the wonderful things that can be accomplished by men and women who are deaf en they are provided full access to education.

Congratulations on another successful year!

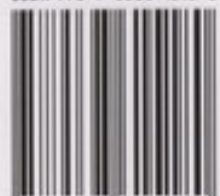

A handwritten signature in black ink, appearing to read 'J. DeCaro'. The signature is stylized with a large, sweeping 'J' and a long, horizontal stroke extending to the right.
