

Seminar Description

Title: Ensuring that deaf students remember English – The challenges and strategies involved in aiding deaf students’ retention of their English Learning in their undergraduate and post graduate lives

Presenter: Joan Fleming
Teacher of the Deaf/ Deaf Studies Co-ordinator
University of Wolverhampton, UK
J.Fleming@wlv.ac.uk

Description:

The goal of this session is to exchange ideas and share teaching strategies. Using personal experiences and reflection the group will discuss challenges and successes in English teaching to deaf sign language users. There will be an opportunity to devise practical strategies.

Learning Outcomes:

By the end of this seminar:

1. issues involved will be aired
2. samples of students work will be seen
3. a typical lesson will be analyzed/criticised
