

What is your method of presentation?

One Minute Paper

- List the activities that occur in your classroom in a one hour period. Describe specific content and how you cover this content.

What are some ways to get students involved in a lecture?

Sit with one other person and brainstorm some ideas for getting students involved in a lecture.

Write one question for each level of questioning (1, 2 and 3) for a topic in your content area.

1.

2.

3.

When finished, share these questions with the person next to you.

Write one question for each level of questioning (4, 5 and 6) for a topic in your content area.

4.

5.

6.

When finished, share these questions with the person next to you.

Think about one of your courses

- Brainstorm strategies that you can use in your classroom

In groups of three, brainstorm strategies.
(one person should take notes)

Evaluation and Closure

- Describing a specific lesson, name two strategies that you believe will work in your classroom.
- What benefits or barriers do you anticipate?
- Will you try it? Why or Why Not?
